

Dr. Jonathan Hansen
Founder and President

Mission:

To faithfully prophesy to the nations of the world, proclaiming the kingdom of God; giving warning to political leaders, the church, and society of God's coming judgment. We are "sounding the alarm" for the nations to repent of sin and to draw near to Jesus Christ.

Purpose:

To give a specific word of God to over 100 nations, reaching every person in those countries through revival meetings, crusades, and various forms of media. To strengthen and unite followers of Jesus Christ into an army to do battle against Satan and the anti-Christ spirit.

Vision:

To reach 100% of the world with the gospel of Jesus Christ. To change the destiny of nations through reconciliation with God. To bring truth and restoration to the body of Christ and to set people free from bondage.

The Commission

The mission, purpose, and vision are being realized by the following means:

Prophecy to Canada

God gave Dr. Jonathan Hansen a word of knowledge for Canada

"Canada, oh Canada; a land of moral decadence. You have flaunted yourselves before the French; you have flaunted yourselves before the world. You say you love me, but who you love is purely yourselves. You have become a melting pot of many peoples and nations; and yes, you have also taken upon your nation their sins. They escaped their countries because of judgment falling on their countries. Judgment fell because they rejected the Truth of All the Ages; they have rejected me, the Holy Scriptures. Now they run to a new country and bring their arrogance into a land already filled with the pride of France and the Americans.

Oh, Canada, your pride is exceedingly great; your haughtiness is getting repulsive; your immorality is exceedingly high because you have compromised my principles and values for what has become your people; a people who have destroyed their countries with their false religions and love of money. Now they are destroying a land I have created full of beauty and grace. Oh, yes, it seems that all is order, all is okay, but as quickly and suddenly as one finds out he is dying with an incurable disease, so will my judgments start to fall on you. Your land of beauty will start to dry up and disappear as the truth has disappeared from the hearts and lips of your pastors and politicians. As my Church has become a house void of truth, healing, power, and preservation, but instead has become a house of thieves, homosexuals and spiritual prostitutes, so the nation is becoming a people of sick values, beliefs and rebellious attitudes. Yes, judgment will start to fall sure and swift and the people who once boasted of their land of beauty, religious tolerance and open mindedness to all people and cultures, will boast no more — but cry for what was and what should and could have been if only they had obeyed my commandments."

**GOD'S
WARNING
TO
CANADA**

People of Canada, God, who manifested himself in the person of Jesus Christ, is warning you that he is starting to shake your nation because your people are rejecting his way of life as found in the Bible. Your country has started to self-destruct; it's brought on by direct rebellion and rejection of the only God and truth found through Jesus Christ. Different philosophies and religions, sponsored from the doctrines of demons who have appeared before men as angels or have influenced their thoughts to create philosophies, which have been accepted

over the Holy Scriptures, are directly responsible for the evil, immoral lifestyle of many Canadians today. Homosexuality, abortion, euthanasia, religions, cults and occults are the by-product of a nation, which in all reality has turned its back on the Living God. Canada is a nation that is filled with people who think they are their own little god and they will

not listen to another authority.

Jesus Christ is returning and He will put down all rebellion. He will not allow this world to continue to be run by selfish men who rule the world with laws created to protect themselves. The world is filled with pain, injustice, poverty, crime, rape, disease and murder. These problems are the result of man, who is in rebellion against his creator, causing the pollution that's in the world. Jesus is returning. When he does, the world will have equality, justice and peace for all those who submit themselves to him (John 3:16 - 20).

This prophecy was recorded on June 20, 1996 and conveyed to church leaders at that time.
