ATTACK ON AMERICA!

*Jonathan Hansen, Chairman
World Ministries International*

AMERICA WAS WARNED!

In August of 1995, the Lord had me move my family and headquarters back to America in preparation for warning America what was to come upon her unless she repented. In December of 1995 God gave me a clear word for America and has since continued to reveal more of His judgment to me in order to warn the church and the nation publicly.

In 1997, I put in the *Seattle Times Newspaper*:

WARNING

To America for 1998-2008:

- * Stock Market Collapse
- * Nuclear Attack
- * Civil Unrest
- * Social Security Collapse
- * Natural Disasters
- * Chemical, Biological, & Nuclear Terrorism
- * Mammoth Tidal Waves
- * Earthquakes and Eruptions throughout the United States

Northwest Area Warnings:

- * Mt. Rainier Eruption
- * 520 Bridge Collapse
- * Powerful Northwest Earthquake and more.

To avoid the above, there must be a mighty genuine revival (repentance) as in Ninevah (Jonah 3:5-10) or a powerful spirit of prayer must arise that will result in the mercy and grace of God as with

Abraham for Sodom and Gomorrah (Genesis 18:23-33). There is hope! If we meet the conditions of God (II Chronicles 7:14), He will hear our call, forgive us, and heal the land! If we don't meet the conditions, judgment will fall and all of the prophecies will come to pass.

Beloved, since September 29, 1997, I have been giving the messages of God across America on the radio, later covering 90% of the world by short wave with the program "*Warning*". I even listed the cities which would come under terrorist attack, and New York was one of them. Prior to the attack on New York, I spoke on a New York talk show, "*Countdown*", many different times warning New York of impending judgment. I flew to New York in March, 2001, personally and spoke daily on the television for one week. I also held nightly revival meetings in the Brooklyn YWCA auditorium, strongly warning them that "New York would burn, skyscrapers would collapse, bridge(s) would fall", naming the bridges. I warned them with tears and groaning that "blood would flow down thousands of faces but still the city and nation would not repent but would rise up and say 'we shall rebuild, we shall avenge' and join together with false religions in prayers of blasphemy." God warned that New York's Twin Towers would collapse, but people did not listen, and they still are not obeying

the warnings of God. I went on to warn New York about how "after thousands died, God would continue to allow His judgments to continue until finally there would be such an onslaught that millions would die across America before finally a true revival would sweep across the land."

This attack is only the beginning of a continuation of attacks until finally millions will be buried. There will come a day when about every skyscraper will fall, bridges will collapse and New York will burn as a city.

Friday, September 14, 2001, Dr. Larry Bates interviewed me on the Information Radio Network syndicated radio talk show, "*Unraveling The New World Order*". We talked about the terrorist attack on America and how today (Friday, September 14th) the National Day of Prayer was attended and led by different politicians, as well as religious leaders. My heart cried out to God and my spirit was deeply troubled and grieved with the hypocrisy and utter blasphemy of it all. According to The New Lexicon Webster's Dictionary, the definition of the word *blasphemy* is "contemptuous or irreverent speech about God or things regarded as sacred". I called the ceremony that was going on across the United States carried by television "*The Prayer of Blasphemy*". Utterly immoral and amoral politicians, along

with many different false religions, are now piously going into a cathedral committing, in my discernment, a sacrilege with their words of prayer.

Now, beloved, I am not wanting to be hard or insensitive to the gravity of the incident. The attack was deplorable and a travesty. Yet, what is even more despicable to God is the audacity of the leaders of this nation both within the church and the government. Leaders that have either rejected the deity of Jesus Christ or have shared it with a pagan religion which denies the deity of Jesus Christ. I John 4:1 tells us: *“Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.”*

Church leaders were praying to “the God of Abraham and Mohammed”. This is utter blasphemy! Islam denies the deity of Jesus Christ as God, and if Jesus Christ is left out of the Godhead, then that religion is serving a false God. All through the Bible God has condemned sharing His place with other gods and religions. This sin is called idolatry, and God sends judgment upon nations that worship other gods/religions. *“And Joshua said unto the people, Ye cannot serve the Lord: for he is an holy God; he is a jealous God; he will not forgive your transgressions nor your sins. If ye forsake the Lord, and serve strange gods, then he will turn and do you hurt, and consume you, after that he hath done you good.”* (Joshua 24:19-20) Please read Joshua chapters 23-24 and Revelation chapters 13-18.

In 2000 and 2001, besides traveling to many different countries delivering a message from God to those nations and leaders, I traveled across America with Dr. Larry Bates. Together with the team of Chuck Bates, Larry Pratt and Sid Roth, we warned the church of an economic meltdown,

loss of freedom, terrorist attacks (chemical, biological, and nuclear), etc. I shared dogmatically that first thousands, then millions, would die in America as blood ran down their faces before some would turn to God and come out of mystery Babylon. I shared how there would come a catastrophic event either naturally and/or created to change the American way of life forever. I shared that World War III was coming. I shared how many politicians, as well as church leaders, were working in unity to create a One World Government. How many of our politicians, both democratic and republican, are committed to socialism and working diligently to take away our freedoms and usher the United States gradually into The New World Order.

The Bible warns you and I about the One World Government and One World Religion that will arise in the generation before Jesus returns during the Battle of Armageddon. Beloved, what you and I are witnessing right before our very eyes is II Thessalonians 2:1-3 coming to pass: *“Let no man deceive you by any means: for that day shall not come except there come a falling away first and the man of sin be revealed, the son of perdition.”*

Ladies and gentlemen, we are witnessing a great falling away from truth. We have been seeing a great apostasy from truth over the recent years with the outrageous teachings of gluttonous prosperity on Christian Television, etc. Sure, many people have come to the Lord, but many more have gone into apostasy with the erroneous teachings and the promise of financial prosperity and lustful pleasures for those who send in their money. During this time of crisis we are witnessing the formation of the One World Religion coming together just as God had warned would happen as a result of a catastrophic event, either natural or created. When we witness false religions uniting with churches and

praying together, we are at the height of “the great falling away”. Again, God commanded us to have no fellowship with them, and He told the Israelites when they went into a land to tear down the groves and idols, etc.

You and I continued to witness spiritual debauchery on television when the movie stars and artists came together to raise money singing songs such as *“God bless America”*. These are the very people who leave God out of their lives and influence the nations with their immoral films and music. Yet, they have the shameful audacity to involve the name of God in their self-absorbed performance to a nation in grieving. It is evident that they do not grieve with wailing and moaning over their sins, but over their loss of security and self-edifying lifestyle.

On September 14, 2001, I was on two live talk shows, one for one hour and the other for two hours. I stated emphatically that while I was in prayer that very morning the Lord clearly spoke to me. “More attacks are coming, and finally there will be an attack that leaves 1,000 times more dead than the death count of this present disaster.” For example, if we bury 7,000 now, there is coming a day that we will bury 7,000,000 Americans! Only this will finally get the attention of some people. Others will, as Revelation 16:21 predicts: *“...blasphem[e] God because of the plague...”* What we are seeing (and will continue to see) happen is that as these catastrophic events occur, they will cause the excuse needed to continue to form and usher in the New World Order and Religion. **Beloved, it is time to learn to enter God’s rest during these times coming upon the earth. This is what the Feast of Atonement is all about!**

God raised up three adversaries against King Solomon for committing the same sins of pride, self-reliance, immorality and outright idolatry in

worshipping with other religions and gods as we in America are guilty of doing. Please read I Kings chapters 3-11. Chapter 11 tells us about the three adversaries that God raised up against King Solomon to tear his kingdom apart. All through the Bible one can find where God sent adversaries against His own people when they went into idolatry and immorality. We have missed the message from God to repent, and now millions will eventually die.

“Dow suffers worst week since 1933”

God always sends warnings. He never leaves us clueless. Yet, we as a nation and most churches have missed His warnings and His clues. Now we will suffer again. God sent two warnings to the nation of Israel to wake them up

and cause them to repent. But, they missed the messages, and God sent a much more severe and damaging message the next time. Just like America, Israel felt secure until these attacks were allowed by God to happen.

Please read Isaiah chapters 9 and 10. First, God sent an Assyrian invasion into two of Israel’s provinces, Zebulun and Naphtali. When this was ignored because of: *“...pride and stoutness of heart...the Lord... set up the adversaries of Rezin against him, and join[ed] his enemies together; The Syrians before, and the Philistines behind...”* Isaiah 9:8-12.

Mr. President, before you try to “rid the world of evil” and threaten the nations of the world that “you are with us or with terrorists”, please take the beam out of our nation’s eye. (Matthew 7:3-5) If we as a nation fail to repent of our own sins (evil) first, then we have no authority to try to rid the world of evil. Instead, blood will flow in America!

Russia has made a treaty with Iran and Syria. The United States has a treaty with Israel. According to the prophet Isaiah, Damascus is going to be totally destroyed. Bin Laden has assisted Yasser Arrafat. The old Roman Empire is now today’s Europe. China and Russia are mentioned in Scripture concerning the last days, but not the United States.

According to intelligence reports, Bin Laden has acquired at least 20 of the former USSR’s missing nuclear suitcases. While the United States is frantically dismantling its nuclear arsenal and military power, Russia and China are furiously rebuilding theirs.

Just prior to the terrorist attack on New York and the Pentagon I spoke four weeks across 90% of the world

on radio and short wave that World War III is about to start. Today the United States is the most hated nation in the earth. In 1892, the U.S. Supreme Court stated that America was founded as a Christian nation, but today’s Supreme Court rejects Jesus Christ throughout the land.
