Dillon, spent the month of December, 2012, bringing gifts and supplies for a certain number of people, but were surprised to find that the number had increased by 3,000! This was due to the Pygmies' sharing the gospel and their new-found faith in Jesus with others. The Pygmies, who live in trees, are looked upon as animals by other tribes who hunt and kill them for food. Two-thirds of the Pygmy tribe have been destroyed in this manner. This work has now expanded into over 600 churches, even reaching into Rwanda, Uganda, Sudan, and Burundi. Wells are drilled and churches built in cities and villages, bringing fresh water and spiritual water to the people. A technical college is being built in Kiambu to equip people for jobs. Bush with other U.N. members in 1992. Dr. Nazario exposes how, through misleading terminology, the global elitists are turning lies into truth and truth into lies. Agenda 21 institutionalizes healthcare, food production/consumption. It determines how and where people live, environmental protection, feminism, governmental control of private enterprise, governmental education control and much more. Dr. Nazario shares the comparison between the U.S. Constitution, Declaration of Independence and the Articles of Confederation, which give individual rights, as opposed to Agenda 21 control. Dr. Hansen and Dr. Nazario expose how Department of Homeland Security (DHS) is now being operated as a Federal Police Agency, which is a violation of the U.S. Constitution. (DVD082313, DVD083013)

U.S. propping up stock market by printing \$85 billion per month and buying stock. Governments are printing gold and silver certificates; selling more than 100 times each of gold and silver on paper than physically exists. If gold or silver certificate owners attempt to collect their metals, banks will only give cash. Mr. Bonnema gives examples of things that can trigger "Black Swan Events". Economist Bonnema states that the statistics the Government is using are "cooked" numbers; they are not using legitimate stats. The true unemployment rate is near 23%. There is high violent crime rate in cities that are severely economically hit. (DVD090613)

Apostle Eric R. Hurd
Associate Pastor,
Resurrection Life Min.
Pastor Leo J. Bogee, Jr.
Teacher/Evangelist
World Leadership Trng. Min.
Mililani, Hawaii

Dr. Hansen exhorts that if America is to retain her liberties and freedoms, the Church must rise up as in the days of the American revolution. Apostle Hurd adds that the Sons of Issachar are to be watchers on the wall that understand the signs of the times and give warning with godly counsel to protect the people. Pastor Bogee states that Jesus was focused on marriage and family; showing that we are at war with Satan to keep the man in the family. Dr. Hansen emphasizes that we serve God first, then family, our health and then the job. Apostle Hurd exhorts that we are in a spiritual battle, above all, and the time is now for the Church to return to apostolic alignment. Dr. Hansen points out the state of war we are in against the realms of darkness that are making laws against Judeo-Christianity. Pastor Bogee shares the importance of Christians living up to their word and the example of their testimony. Dr. Hansen exposes Satan's tool of racism dividing the Church and nations. Apostle Hurd exposes the war of the mind and how we should vote our convictions according to the morals and ethics of Christ. (DVD081913)

Part 2: "Has Noah's Ark Been Found?" - Dr. Hansen and Arch Bonnema discuss the expedition that Arch joined to find Noah's Ark north of Tehran, Iran in 2006. Arch explains how there have been many expeditions to Mt. Ararat in Turkey to find Noah's Ark; all with no success. U.S. astronaut James Irwin would zoom to a tight focus photographing Mt. Ararat from space in hopes of finding Noah's Ark. After 10 failed expedition attempts on Mt. Ararat, Irwin and others started searching older maps to see if there was another mountain(s) named Ararat. All the maps made before the 13th century showed the mountains of Ararat in what is now Iran. Turkey's Mt. Ararat didn't possess its present name until Marco Polo heard from some Armenians in the 13th century that they thought that Noah's Ark was on a particular mountain in Turkey; so he named it Mt. Ararat on his map. Hear the testimony of this exciting expedition and what has happened since. (DVD091313)

Rev. Jesse Lee Peterson
**Brotherhood Organization of
 a New Destiny (B.O.N.D.)
 Conservative Political Activist
 Los Angeles, CA**

Rev. Jesse Lee Peterson, the most outspoken critic of the civil rights establishment in America today, lays bare its corrupt leadership, courageously taking aim at the biggest names--Jesse Jackson, Louis Farrakhan, Al Sharpton, Maxine Waters, among others--claiming they are nothing more than "scam artists", profiting off the hatred and disorder they foster in the black community. He says racism is throughout the black community against white America. He believes Obama is a racist who is dividing America.

Rev. Peterson's goal with the **B.O.N.D.** organization is to "rebuild the family by rebuilding the man", thereby restoring biblical order to black homes all over the nation. He is doing this through working with young men, restoring them first through their souls before the Lord and then through marriage and relationships. Rev. Peterson is also a fierce advocate for TRUTH in this nation regarding our dysfunctional political arena. He speaks regularly on his own radio program and as a guest on other radio and television venues. He has experienced death threats and persecution as a result of his strong stand. December 28, 2013:
Prophetess Phyllis Ramia
" Heartlight Hearttalk" TV
Program
Honolulu, Hawaii

In this interview Dr. Hansen shared how the church is at war and how it

is up to the Bride of Christ as to whether America remains free or becomes part of the New World Order! Dr. Hansen also shared some of his experiences with angels, including fifteen that appeared in the Cayman Islands when he was speaking there. Seven appeared vertically and seven horizontally with Dr. Hansen speaking in the middle. In country after country people have seen one giant angel standing behind him guarding him. He also explained how God uses him prophetically to speak to Presidents of nations, and that nothing can touch a person unless God allows it.

Dear Friends,

My **"Warning"** television program is like none other; secular or Christian. We are living in an age of Political Correctness. People are being intimidated, and they are afraid to speak the truth. The Bible tells us that truth takes away deception and prayer brings conviction.

The purpose of God, through His Bride, is to reveal His glory over all the earth. (Psalm 72:19) God instructs you and I to take dominion, subdue, be salt, occupy and make disciples of the earth. (Genesis 1:26-28, Matthew 5:13; 28:19-20 and Luke 19:13) The Bible tells us in Revelation 12 that Lucifer rebelled against God and was expelled out of heaven to the earth where he rules today! (2 Corinthians 4:4, John 12:31)

Evil men lead their nations through the influence of satan on the earth today! When Jesus returns at the Battle of Armageddon, He will defeat the armies of the world; put satan in the bottomless pit; remove evil leaders and put in righteous leaders to rule the nations, ushering in peace and

prosperity. (Zechariah 14:2-4, Revelation 16:13-16; 20:1-6) Right now, though, the church is in a war whether they understand the seriousness of it or not. The enemies of the laws of God hate the Bride of Christ and want to shut it down or destroy it. More believers are being persecuted, arrested, tortured and killed in this generation than in all the previous generations combined. The devil is using the air waves through the media to change the minds and hearts of people to disobey the Judeo-Christian values and beliefs that this nation was founded upon and which made us the greatest nation in history. The battle is in the mind. We must transform peoples minds with truth; not the lies of the liberal media. We must take back the airwaves.

The Book of Revelation gives warning to the events in the near future that will take place. Evil men in governments are in the process of taking away Christian freedoms. They are committing treasonous acts to form a New World Order as the Bible predicts. Some nations will fight the coming world leader that the Bible classifies as the anti-Christ. Please help me turn back this evil tide sweeping America through secular television, and help me sound the alarm. Some Christian television programs twist the truth and most are afraid to confront politicians or clergy guilty of sins of abomination or heresy. My **"Warning"** television program fearlessly exposes the truth about corruption and sin, hosting guests that include Senators, Members of the House, attorneys, judges, economists, businessmen, Bishops, Pastors, and many others. If we are going to have a chance for freedom to continue and the Republic of the United States of America to survive, we must wage a fight by speaking **truth** over the airwaves. I must get on as many television stations as possible, including national television. Please partner with me! Our freedom is at stake, including the freedom of your families!

Dear Concerned American:

Ladies and gentlemen; anyone who has ever watched the **Warning** television program will testify that there is not another program on television which is on the cutting edge of truth with the boldness and faith to proclaim it. I humbly state that there is not a Christian television program which has the dynamic television guests from the political, business, legal and church fields of expertise as the **Warning** television program. **Warning** is seen on the stations listed below, but we need to be on national television stations. Once again, "my people perish for a lack of knowledge". Please become a **television partner** with me. For a donation of \$100 USD per month a person would get four (4) of my thirty-minute television programs each month on DVD and one hour of my radio programs on CD. This is my way of saying **thank you** for helping me bring truth to America, as well as the nations of the world, so that people can know why they are being deceived into losing their freedoms, as well as the Republic of the United States of America. Your donation is tax deductible, and it can be a love offering or, for some of you, part of your tithes. The **Warning** program can be viewed on the following television stations:
