FROM THE HEART OF JONATHAN HANSEN

I wish all of you a very Happy New Year! I have a television program that I felt in a time of prayer and fasting, the Lord told me to call "WARNING".

As you can see, I have excellent guests on my program from all walks of life. Politicians, clergyman, businessmen, economists etc., all sharing their expertise of the situation in America and around the world of how evil men in powerful positions of authority in nations are trying to destroy the sovereignty of every nation and put people under the control of a beast governmental system.

Please help me sound the alarm to the nations by becoming a television monthly partner with me. For just one hundred US dollars a month which you can take off your taxes, you can help me fight evil by supporting the Warning television program. The Bible tells us that truth takes away deception and prayer brings conviction. As my television guests and I speak truth, this takes away deception which helps people be free from tyranny by actively getting involved in putting in righteous leaders in their nations. The Bible warns us that when righteous men lead, the nation prospers; but, when evil men lead, the people suffer.

God instructs Christians to take dominion, subdue, be salt, occupy and make disciples of the earth. All nations are being attacked by Lucifer through evil men to persecute believers in Jesus. If we lose our Christian freedoms in the United States of America, it will be because Christians failed to fulfil their responsibilities in making disciples and letting liberal, progressive, evil men rule. **For your monthly donation, I will send you four of my television programs monthly on DVD and one hour of my radio programs free each month as my way of saying thank you for sounding the alarm with me.**
