

**BURUNDI**  
**October 22-25**

In 1998 Burundi was in total chaos. I traveled through the jungles of Rwanda and Burundi by public bus due to the embargo which prevented me from taking a plane. I needed to get to Bujumbura, Burundi where I was scheduled to speak. I had a message for the president of Burundi as well as a word for the leaders of Burundi's parliament and church. The word from the Lord was a strong, serious warning and the country was very dangerous due to the civil war and genocide. I had to fast and pray so the Lord could give me the faith to overcome my fears and go to Burundi to speak to leadership.

Dr. Michael Hyodo states, "At the leaders meeting in Burundi for members of the parliament and the church in 1998, the Holy Spirit gave Dr. Hansen a Word of Knowledge regarding sins in the parliament, including murder. Heavy conviction fell and 5 repented immediately. Bishop Leopold Banzubaze, Overseer of the Foursquare Gospel Church in Burundi, Central and East Africa, and the Chairman of the Alliance of Evangelical Churches in Burundi, was there. He is also a member of the Technical Commission in Charge of Disarmament of the Rebel groups. He remembers cowering and covering up his head along with the leaders that were present as the anointing of God was there.

Bishop Banzubaze unknowingly walked into the Nairobi WMI office on Saturday, October 13th, 2007, the very day Dr. Hansen had visited the office for the first time arriving from America. Bishop Banzubaze testified that his knees began to shake when he realized Dr. Hansen was that very prophet who back in 1998 gave a strong message concerning the nation, leaders present in the room and the president. This message now has come to pass exactly. On October 22-25, Dr. Hansen and the team flew to Burundi and Dr. Hansen met with the President and other governmental leadership, all arranged by Bishop Banzubaze. The President of Burundi invited Dr. Hansen back to Burundi to lead nationwide crusade meetings to bring the nation under Jesus Christ."

Bishop Banzubaze and Albert Nasasagare; Deputy Chief of State Protocol for the Office of the President of Burundi were both in that original meeting in 1998. Please see the WMI website to read the word for Burundi in its entirety at [www.worldministries.org](http://www.worldministries.org)
