

**UNITED ARAB
EMIRATES
& OMAN
November 2-12**

I ministered in The United Arab Emirates and Oman. Team members included Dr. Buckardt, Dr. Hyodo, and Molly Rickford. Each day I spoke at different locations. The vision of Bishop Dr. Selvan Davis is to reach 100,000 Arabs for Jesus Christ and I am working with Bishop Davis to help plant 100 churches in the Middle East to reach Arabs for Jesus.

In order to reach Arabs for Jesus we need to move in the gifts of the Holy Spirit. We need to pray for the sick and see miracles and healings. We have to cast out demons. This is what we did. In every service I would preach the word of God which built up their faith in Jesus. Then we prayed for the sick and cast out demons.

I prayed for a woman in Dubai who could not lift her arm. It appeared stuck to the side of her body. When I started to pray for her, virtue and anointing came upon her and she fell on the ground. She later testified that when she was lying on the ground, the inside of her arm felt like a surgeon was operating on her, putting the ligaments and nerves back in place. She awoke and stood up totally healed. God healed another man in Abu Dhabi who was described as a cripple. He was a victim of a car accident which split a bone in his back. When I layed my hands on him according to the Scriptures and started praying, he fell to the floor under the anointing. He was screaming and his body contorted like a pretzel. I started to rebuke the spirit of infirmity rubbing my hand up and down his spine commanding his back to be straightened and healed in Jesus' name. All of a sudden he did a back kip, flipping himself from laying on his back to his feet, and started running in circles screaming "I am healed!" He grabbed me squeezing me in a bear hug and kissing me on both sides of my face. God had done a miracle in front of many witnesses. That is the God we serve! One previously Muslim man had numerous demons cast out of him. This is the only way to win Muslims to Jesus.

Please help us work with Bishop Davis to plant 100 churches and reach 100,000 Arabs for Jesus. I want to start a dental clinic in Dubai and start Bible Schools in Dubai, Abu Dhabi and Muscat Oman.
