

**KENYA**

**October 12-21,  
October 26-29, 2007**

In 1989 God gave me a word for Kenya. He had me give it to the office of the President in 1992 and to start warning the nation in 1995 which I have been doing ever since.

Now most of the word of the Lord has already come to pass. I am working with key leaders in Kenya in an attempt to wake up the church and the nation to repent of their sins and turn to Jesus Christ with all their heart so Christians do not lose their religious freedom. Muslims are attempting to change Kenya's constitution. They desire to change the religion in Kenya to Islam. To read the complete message to Kenya, see the website at [www.worldministries.org](http://www.worldministries.org).

In October 2007 I led a WMI ministry team to Kenya. This team consisted of Pastor Doug Brecto and Molly & Denbeigh Rickford. I met with political and church leadership trying to inspire them to help lead a revival in Kenya. On Oct 14th, I spoke for Pastor Mike Adipo at Calvary Charismatic Centre and Molly gave her testimony. I had Pastor Doug Brecto speak in the afternoon on marriage. Pastor Adipo is also the chairman for Kenya Gospel Ministers Association.

On Oct 21st, I spoke for Bishop Arthur Kitonga at the Redeemed Gospel Church. The church seats 15,000 people and they have three services each Sunday morning. Bishop Kitonga is the Bishop of the Redeemed Gospel Church Inc., and President of the Association of Evangelicals in Africa. On Oct 28th, Pastor Doug Brecto spoke in the 1st service and I spoke for Rev. Jackson Mbutia in the 2nd service at his South C Kenya Assemblies of God. Rev. Mbutia is also on the Executive Council of the Kenya Assemblies of God.

One of our main meetings took place at the Grand Regency Hotel which was filled exclusively with bishops and pastors. After sharing the prophetic word for Kenya, everyone was on their knees crying out to God.

We also met with the Mayor of Kisumu who gave me the keys to the city and invited me back to hold a stadium crusade. In Kisumu, I spoke for Bishop Zephaniah Orao, chairman of the Ministers Association. He invited bishops and pastors for a conference where I addressed them concerning the message for Kenya. Each day was filled with meetings.
